

PATHWAY TO GRADUATION: 4-YEAR COURSE MAP

BACHELOR OF BUSINESS ADMINISTRATION | ECONOMICS MAJOR

This is the four year course plan for students pursuing the BBA degree in Economics. Students are required to complete at least 124 credit hours to graduate. Please reference the Advising Worksheet (see reverse side of this page) for the full list of BSB required electives and the University Bulletin for information on prerequisite courses. Electives may be offered on a rotating schedule. Students are encouraged to meet regularly with a faculty advisor and attend group advising sessions through BSB each semester.

REQUIRED INTERNSHIP

All students in this program are required to complete an internship and at least two credit hours of BCDP 397. Students are supported in their internship search and the application process through Brennan's Career Development Program (BCDP) classes, with additional mentoring and guidance by the Executives in Residence. Students begin the internship search process during their first year and are well-equipped with the tools necessary to pursue their chosen career path. Students may register for BCDP 397 during any summer, fall, or spring semester, although most will complete the internship after sophomore year. Approval from Brennan's Career Development Director is required prior to registration.
